

Amendment #1

Amendment to the Rules for the Committee on Natural Resources (116th Congress)

Offered by Mr. Westerman

Rule 6(a) is amended in the provision regarding the Subcommittee on National Parks, Forests and Public Lands in paragraphs (8) and (12), by striking “grazing and Federal reserved water rights” and inserting “grazing, Federal reserved water rights, and promotion of forest resiliency, including the administration of active management, timber sales, and thinning for the protection of forests and their surrounding communities”.
