

Congress of the United States
Washington, DC 20515

February 26, 2015

The Honorable Rob Bishop
Chairman
Committee on Natural Resources
1324 Longworth House Office Building
Washington, DC 20515

Dear Mr. Chairman:

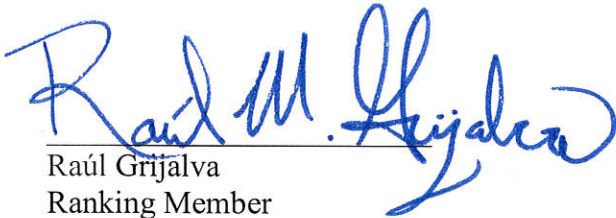

Please provide Members of the Committee information regarding the status of any continuing investigations initiated by the Majority in a previous Congress. I am aware of several such investigations that were initiated, but not completed; there may be others of which I am not aware.

Targets of Congressional investigations rightly take them seriously, often spending significant time responding to Committee inquiries and in some cases making significant, personal expenditures for legal representation. These individuals deserve to know whether they remain under scrutiny.

Notifying Committee Members of your intent will also set a tone of openness, transparency, and comity for the 114th Congress within our Committee.

I look forward to your response.

Sincerely,

Raúl Grijalva
Ranking Member
Committee on Natural Resources
