The Honorable Rob Bishop  
Chairman  
House Committee on Natural Resources  
1324 Longworth House Office Building  
Washington DC 20515

Dear Mr. Chairman:

I write to request that you join me in sending the attached letter to President Trump requesting the Department of Commerce report and all materials related to the review of 11 National Marine Sanctuaries and Marine National Monuments under Executive Order 13795. It is critically important for the Administration to be transparent in its reviews and decisions so the public and Members of Congress are fully informed.

I look forward to working together on this important issue.

Sincerely,

Raúl M. Grijalva

House Committee on Natural Resources
